

MVAQN BOARD MEETING

Panera April 28, 2025

PRESENT: Ronnie Doyal, Linda Morgan, Chris Zurbuchen, Barb Schneider and Ann Diller.

First we reviewed my notes from the April 19 Saturday meeting for clarity before sending out minutes to the group. We talked about revising forms on our website which Barb will take care of. For the Tree quilt show, Linda will do a notebook for each show. It will have separate pages for each quilt with a picture, name of artist and name of quilt. If you submit a bio page or materials and description form that will be included with each quilt. She also plans on having pictures of extra quilts or projects that aren't in the show. Also will be information about MVAQN and our website.

Barb has the hanging materials and will get them to Linda.

Barb asked to partner with Linda for any upcoming Troy-Hayner show.

Linda will submit 5 pictures of our tree quilts to Beavercreek for their consideration.

We have enough bookmarks, so Ronnie will not print another set.

At our June meeting we will identify quilt artists for quilts that appear on our website.

The June 21st meeting will be at Barb Schneider's house. She has a new pool, so bring a suit and towel. Also bring a chair and a dish for a potluck. We will have Show and Tell and a short business meeting. Hours are 11-2.

For May's meeting, we will have a short business meeting. Sue is presenting something on "freeform flowers".

For July's meeting, Ronnie is presenting a program on 3-d objects. Ann will introduce a Haiku idea for a future tree show. I will provide Haikus to pick from, and we can make a 8 x 10 quilt depicting our Haiku.

August 16 meeting- Joni leads us in Tree Rings. General discussion about our Tree theme (Ronnie).

September.. Ronnie leads a program on stretcher bars. Optional Getting to Know you (harriet)
