Epiphany Lutheran Church

PRESENT: Ann Diller, Barb Schneider, Ronnie Doyal, Chris Zurbuchen, Joni Kreitzer, Louise Maurey and Helen Willis.

We turned in quilts for the upcoming YSAC show to Chris. Joni brought her handmade cards which we signed to send to homebound members. No formal business meeting today.

Joni led us in playing with Deco Foil. She had prepared several objects for us to foil, and demonstrated how to do it. We decorated cards and cork coasters. The materials that Joni brought and demonstrated included Fabric-Tac to glue layers together, Deco Foil Liquid Adhesive, Bo-Nash Fuse It Powder (to make sparkly sprinkles), a laminator, an iron, various colors of Deco Foil Transfer sheets and fusible web. She said you can stitch on cork using a 3.0 stitch and a leather or metallic needle. She also brought several samples of bags she had sewn and decorated with foil.

There was no other Show and Tell today.

We did have a discussion about the YSAC show, "Miami Valley Scenes and Dreams" since it had been moved up. We decided to **hang quilts May 24<sup>th</sup> at 10 am**. Several of us volunteered to hang but if you would like to help, let Chris Z. know. Several of us signed up to host the Saturdays that it is hanging. Barb volunteered to do **take-down June 25 at 4 pm**. Our **opening reception is May 26 from 6-9 pm**. (we show up at 5). We need snacks and drinks of all sorts for the reception. I am bringing peanut butter cookies. Since one of our Saturdays to host falls on our **regular meeting date, June 17**, we decided to meet at the gallery at 1:30 and have our meeting in the back room while the show is open. Please bring your own lunch. We need to discuss leadership and schedule for the next year at this June get-together and need everyone's input. June is the start of our new fiscal year, so Chris can collect our \$15 dues at that meeting.

Next meeting: May 20 at 1:30 Epiphany Lutheran Church

June Meeting: **June 17 at 1:30 at the Yellow Springs Arts Council building**, 111 Corry St.
