OLD BUSINESS: We are still working on submitting our 16" w x 20" l quilts to be photographed by Ronnie in November. Remember that anything sticking out of the border needs to stick to that size for photography purposes.

NEW BUSINESS: We have had a lot of responses on Facebook to the post about Barb appearing at the Springfield Museum of Art. Congratulations to Barb! Many of us went to the museum to support Barb and our group. Please send Barb new images as a jpeg format to put on FB. *Let Barb know in a written form if you do NOT want your email or name on our MVAWN website.* Also let her know if you have a new artist statement. She has been working hard at revamping our website, so please check it out.

SHOW AND TELL: We had lots of great quilts for show and tell, including several great ones for our tree theme. Barb gave us a sneak peak for rope bowl/coaster making for September's meeting.

PROGRAM: Thanks to Jennifer for again providing materials for making Christmas Postcards. We all went home with something fun.

Next month: Tuesday, September 3 Study Group at Aley Church. Planning session

Saturday September 21 – rope bowl/coaster demo by Barb.

Respectfully submitted,

Ann Diller, Secretary
