Exhibits:

Wright State: "The Art of Woman" art of, by, and about women. The main exhibit can be any size, shape, color, and subject matter that you choose. Having a story about your quilt journey is encouraged.

In addition to the main exhibit portion there will be several mini-exhibits. These will be made up of 1) Aullwood themed quilts, 2) Grand Rapids themed quilts, 3) finished embroidery squares, and 4) water quilts. Additionally, individual member displays are encouraged. Please let Linda know if you plan on having a 3D piece in the exhibit so she can arrange for appropriate displays.

Quilts are due in November if possible. Contact Linda Morgan if you are interested in your own space. Volunteers will be needed for making signage, gathering, hanging, and taking down the quilts.

It would be good if several people could be at the exhibit during the two days of the show. It was also suggested that we try to have a program similar to the presentations given on the Landmark quilts. Ideas

on what we could do would be appreciated.
