New Business:

Ann Diller, Chris Landis, Ronnie Doyal and Carroll Schleppe will give a presentation on the Dayton Landmark quilts to the Creative Quilters Guild on August 26.

The study group has finished for the year. We will resume the first Tuesday in September.

Maria Elkins was our guest speaker for the May meeting. She shared her favorite tips and tricks to improve our art quilting. She also brought many examples of her work showing us how she created certain elements in the quilts. We will be posting a list of suppliers for her favorite products on the website.

The June 20<sup>th</sup> meeting will be held at the home of Chris Landis. 2110 Germantown Liberty Road, New Lebanon, Ohio 45345. As usual this will be a carry-in. We will start at 12:00. Please bring a dish of your choice to share. We will be creating a collaborative cloth using stamps. Ann Diller will be sending the supply list if you wish to participate. It is always a good idea to bring a folding chair if you can. Good thought for no rain!
