

MVAQN MINUTES November 16, 2024

EPIPHANY LUTHERAN CHURCH 1:30 pm

PRESENT: Jennifer Greenup, Joni Kreitzer, Sue DeSantis, Ronnie Doyal, Ann Diller, Harriet Knudson, Diane Beaman, Deb Bentley and a friend of Harriet, Cory McMaster.

OLD BUSINESS: Quilts with our tree theme are due today (or by the end of November to Ronnie). We did a Show and Tell with our quilts which were taken home by Ronnie for photographing. Note that when we set up an exhibit, we can have different sized quilts included.

NEW BUSINESS: Ronnie said that there is a gallery at Front Street available for 2026. They would be open for 2 different months on a Friday night and Saturday 11-4. We thought that we could muster volunteers to be there. Front Street would not charge a commission on any sold quilts but it would be up to us individually to take care of money.

We discussed donating to the church.

Ann gave out handouts to those that missed her leaf making presentation in October.

We will continue to have the same slate of officers to be voted on next year except Linda and Barb will be Chairs at Large. Ronnie is willing to be a Chair, with Ann as Secretary and Chris as Treasurer. There were no other volunteers for positions at this meeting.

SHOW AND TELL

Remember that we do not have a Saturday meeting until March. Please be thinking of getting together for a Field Trip during the winter months. Anyone can organize. We can always do lunch

afterwards. Shannon will send out reminders about upcoming Study Group which WILL meet during the winter months unless severe weather occurs.

Respectfully submitted,

Ann Diller, Secretary
