

MVAQN MINUTES October 21, 2023

1:30 p.m. Epiphany Lutheran Church

PRESENT: Ann Diller, Deb Bentley, Ronnie Doyal, Jennifer Greenup, Joni Kreitzer and Chris Zurbuchen.

Ronnie led a short meeting:

SECRETARY REPORT: Minutes of August's meeting and September's Board meeting are on the website, along with newly revised bylaws.

TREASURER'S REPORT: Chris reported that we have \$1083.92 in our checking account. We made a \$50 donation to Epiphany as a token of our appreciation for using the room. Linda is now the second signer on checks for the group.

No new or old business.

SHOW AND TELL: Joni showed us a cute quilt she finished for a friend's new great-grandbaby made from a panel.

PROGRAM: Ronnie led us in how to draw faces for free-motion quilting. She started us with an example of the proportionality of a typical face. We then started drawing a generic face using the typical proportions. Then we drew the face again using a continuous pencil line similar to stitching one line of thread. We found that not drawing the scalp line in first made a much better drawing. The goal is to free-motion a face portrait in one continuous line as a home exercise. Please feel free to try at home and bring your sample to the next show and tell!

Next meeting: November 18. "Collaborative Play"

Respectfully submitted,

Ann Diller, Secretary
