

MVAQN MINUTES Saturday, September 18, 2021

Epiphany Lutheran Church 1:30 pm

Jennifer Greenup leading

**Attendance:** Chris Z, Linda M, Joni K, Ann D., Jennifer G, Cris F, Harriet K.

**Secretary Report:** Minutes from the last board meeting are on the website. Ann has copies of all minutes.

**Treasurer's Report:** Chris reported that we have \$998.18 in our Treasury.

Membership dues of \$15 are due today. If you are unable to attend, please mail dues to Chris Z at 501 Ridgecrest Dr. Yellow Springs, OH 45387. We started up a collection for the church since they don't charge us for meeting.

**Old Business:** Chris reported that the suffrage committee has cancelled the upcoming talk at the Warren County Historical Society. This is in protest of the Lebanon City Council's recent policies which we feel are not in support of women, or in the safest health practices.

Linda Morgan still has the group's crazy quilt in her basement and would like to know what to do with it. It can be taken apart with some help. Take apart or try to donate? Some members may want the pieces but it will be difficult to decide who gets which piece since they were a group effort. They are, however, labeled with the original stitcher's name. The board will decide what to do with it and revisit this at a future meeting.

**New Business:** Cris and Maxine have pieces at the Springboro Performing Art Center's "FiberShow'21". Next Saturday, September 25 from 10-1 there are several presentations and hands-on activities including "Joining Raw Edges: The Stories They Tell" presented by Pat Sturtzel. Cathy Jeffers will also present stories from her solo fiber show held in Texas. Meet the Artist Reception will be held following at 11-1. The exhibit runs through September 28.

From September 23-October 6, Teresa Nieberding has a show "On the Wild Side" at The Barn in Cincinnati. It features 80 of her mixed media fiber art. Teresa will be giving a gallery talk to describe her work on September 28 from 6:30-9pm. Hours are 10-4

weekdays and weekends 1-4. Jennifer is signed up for one of her classes. Admission is free. The Barn is located at 6980 Cambridge Ave. Mariemont OH.

Cris told us about a CQAFA "Fall Exhibition" at the Cincinnati Nature Center October 22-24. It is located at 4940 Tealtown Rd. in Milford. There is a fee for parking.

Linda M. gave us a paper about October 16<sup>th</sup>'s program on tatting. If you want to try, and have a tatting shuttle with a hook, you just need to bring scissors for cutting the thread. If you have a shuttle without a hook, bring scissors and a thread crochet hook around size 10/1.30mm. Tatting thread and other project supplies will be provided.

**Program:** Joni demonstrated acrylic ink and alcohol for card making. We played with acrylic ink on Yupo paper. It is easy: spray paper with rubbing alcohol. Put a few drops of ink on the paper. Drop rubbing alcohol onto the acrylic with a dropper and move the paper. Spray with alcohol to blend. Put another color and follow same procedure. You can also use photo paper.

### **Show and Tell**

**Tip of the Day:** Harriet showed us a great binding technique that doesn't require hand sewing.

Next month's meeting is Saturday, October 16 at 1:30.

Next month's study group is Tuesday, October 5 at 6:30 at the downtown Dayton library.

We adjourned at 3:00

Respectfully submitted,

Ann Diller, Secretary
